Sub: Commencement of offline (classroom) trainings at IAA for AAI participants

Sir,

In accordance with the approvals received, from Competent authority, we are pleased to announce the commencement of offline (classroom) trainings at IAA for AAI participants.

As per practice, officers can register for trainings through the IAA's "NAMANKAN" app, or on IAA Website. The step wise registration process is attached herewith for reference please.

It may be noted that the final acceptance of a participant is based upon approval from concerned APDs and REDs and availability of seats for the training. As such it is requested that the participants should be relieved for training only on receipt of a formal training invite from IAA.

IAA sincerely requests all HODs/APDs and REDs to kindly complete the nomination approval processes at the earliest so that necessary training invitations can be sent well in time and the participants can make their travel plans. Your kind support and cooperation in this regard will help IAA in the smooth conduct of these trainings.

Thanking You

Yours sincerely,

(Manoj Chansoria)

GM(Trg.)/Offctg. Director, IAA
